

# Ways of issuing cards

## Individual card orders

## Bulk card orders

**OO**  
**Online Ordering**  
Customers order their cards using an online form. After that, cards are issued and sent to customers - via email (virtual cards) or post, etc.

**CI**  
**Card Issuing**  
Cards are issued "on the spot" in Branches, that are located in city centers, at railroad stations etc.

## NCBD Nation Card Database

**NCDB ORDERS**  
Cards for students are issued through "NCDB Orders" and printed directly from NCDB or from printer that cooperates with NCDB through API or third party software

**External Issuers**  
Cards for students are issued in different ways (external printer, own printing company etc.) To NCBD a list of existing cards is imported. NCBD only takes as a fact that the cards have been issued.
